

Balustrade - side fixing PRO2-S

made of aluminium, for glass balustrades
aluminum colored anodized or stainless steel effect

novaglas system

Aluminium profile PRO2-S

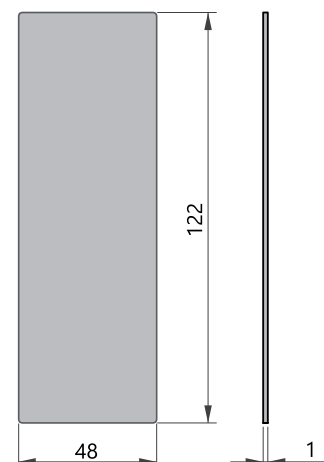

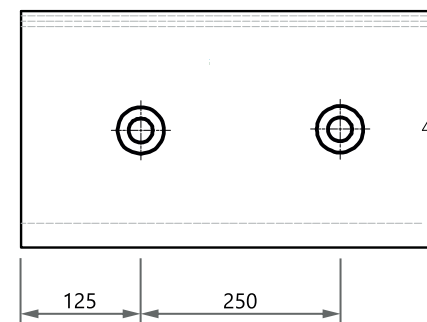

included a selected mounting set
(gum profile inside/outside, gasket, spacing wedge)
for the corresponding glass thickness
VSG: 66.2 88.2 88.4 1010.2 1010.4

article nr:	length:	surface:
PRO2-S300A	3000mm	aluminum colored anodized
PRO2-S150A	1500mm	aluminum colored anodized
PRO2-S300E	3000mm	stainless steel effect
PRO2-S150E	1500mm	stainless steel effect

Balustrade end cap to PRO2-S

article nr:	surface:
PRO2-S4A	aluminum colored anodized
PRO2-S4E	stainless steel effect

Drilling for profil 3000 and 1500 mm
